

## **ANNUAL REPORT OF THE CHAIRMAN**

It gives me great pleasure to welcome you all to the 26Th Annual General Meeting of the Africa Cricket Association (ACA)

May I request for a minute silence for all those who we lost during the past year.

On behalf of the Executive Board and myself, I take the opportunity to extend a special welcome to delegates in attendance at this meeting.

In the year 2023, the association witnessed a lot of activities relating to continental events the ACA T20 Africa Cup

We did for-see high and lows with the sponsors as well as our marketing agents CORCOM MEDIA VENTURES

However with the timorously invention of our CEO and his team we had made the qualification events for Southern Africa Region in May 2023 as well as the North-East qualifications in December 2023 which lead to the finals in December 2023 a successful event.

It was good to see all the members participating in this event which gave them an opportunity to compete at an international level as well as measuring and improving their standards of cricket.

This initiative would also auger well for exposing our African players at the very high level. We are working very hard for our members to have the opportunity to play at this level, as we strive to create a culture of an African brand of Cricket.

As occupying the position as interim we are hopeful to see an elected board ushered in for the next two years at the 2024 ACA AGM

In conclusion, I wish to express my gratitude to the General Council, the Executive Board and Management all other colleagues, for giving me the opportunity to be of service to this August establishment.

I strongly hope that together we would move ahead to a new path to improved momentum for positive growth in the ACA.

Best wishes and success to you all for the 2025 Cricket season!

Best regards.

E. O. ASARE.  
Interim Chairman.
